SMOOTH EXPERIENCE

home CARE.

At Shine Secrets, we believe that beauty is best when it's natural, pure, and effortless. Our journey began with a vision to create cosmetics that embrace the richness of traditional ingredients while incorporating the innovation of modern science. We are committed to offering solutions that go beyond enhancing beauty – they nurture, protect, and restore it from within.

Our philosophy is rooted in the idea that true beauty should never come at the cost of health or the environment. That's why every product we craft is made with safe, effective, and eco-conscious formulations designed to suit diverse beauty needs.

What Defines Us

- **Natural Goodness** – Harnessing the power of herbs, botanicals, and essential oils.
- **Science-Driven Care** – A balance of age-old wisdom and modern innovation.
- **Sustainability** – Ethical, cruelty-free, and eco-friendly practices at every stage.
- **Premium Quality** – Luxurious experiences with visible, lasting results.

At Shine Secrets, we don't just create cosmetics; we create a lifestyle of care and confidence. Our products are more than beauty solutions – they are secrets to **radiant skin, lustrous hair, and holistic well-being.**

PH+ SHAMPOO

1000ml

How to apply:-

Work a small amount in your hands and then apply to your damp scalp, massaging the product until you have a good lather. It will help to get rid of residue, grease, and impurities in your hair. Leave in your hair for 2 to 5 min. Rinse the shampoo out completely before applying Shine Secrets treatment.

NANOPLASTIA ANTI-AGING *hair treatment*

Nano Plastia is an advanced hair treatment designed to smooth, straighten, and deeply repair hair without the use of harsh formaldehyde. It's popular in salons as a healthier alternative to traditional keratin or rebonding treatments.

- Straightens hair (up to 90–100% straightness depending on hair type).
- Repairs damaged hair fibers by filling them with amino acids, collagen, oils, and proteins.
- Restores shine and softness.
- Reduces frizz and dryness.
- Lasts around 4–8 months with proper aftercare.

1000ml

Also helps to prevent hair from exposure and pollution which causes damage.

ADVANCE **BOTOX** *treatment*

1000ml

Shine secrets Hair Botox is a deep-conditioning and repair treatment designed to restore damaged, frizzy, or dull hair. Despite the name, it doesn't contain botulinum toxin. Instead, it's called "Botox" because it acts like a filler — filling in gaps and cracks in the hair fiber, making it smooth, shiny, and healthy-looking.

SMOOTH & FINISH HAIR *serum*

You should always apply the serum on hair that's damp. After you wash your hair towel dry it and then apply the product. this will give you the best result

50ml
